

How we communicate

Welcome to the NBHS Whānau

We have many channels to communicate with you. These include:

Napier Boys' High School

Striving for personal excellence

School App: most of our communication links are sent from our school app. This is available to download through your app store or scan the QR code to the right.

Week Ahead: keeping you up to date with events across the school, academic, cultural and sports calendars. The Week Ahead is sent out every Friday afternoon via the app, and available on our website.

Email: letters, request for parental consent and some notices are sent by email. It is important that the email address you provide is an account that you check daily.

Text message / SMS: in the case of an emergency, or the need to push out urgent updates we may use a text messaging service. It is important that you update the school with any change to your mobile phone number.

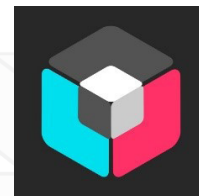

KAMAR Parent Portal: KAMAR is our student management system. You can access aspects of your son/s school records through the KAMAR parent portal. Your log-in details are provided at the start of the school year. If you have difficulty accessing the portal please contact Mrs J Gourdie jgourdie@nbhs.school.nz <https://kamar.nbhs.school.nz/>

Our **website** provides our community with links to the KAMAR parent portal, the school calendar <https://www.nbhs.school.nz/events/> and most news items that have been sent by email or the School App <https://www.nbhs.school.nz/news/> www.nbhs.school.nz

Our **newsletter** is produced once per term. The purpose of the newsletter is to inform the community and acknowledge what is happening across the school.

Scindian: our annual school magazine is an opportunity to capture and provide a record of achievement across the school year. The Scindian is available in a digital format to the wider community.

Columns: Napier Boys' High School Association produces a bi-annual newsletter focused on Old Boy updates and the history of the School. Please send any enquiries related to this publication and the Association to: oldboys@nbhs.school.nz
